Immersive Care Plan

BEYOND MAINTENANCE: SUPPORT DESIGNED TO FUTURE-PROOF YOUR INVESTMENT

Immersive environments shouldn't stand still – and neither should your investment. The Immersive Care Plan keeps you ahead with proactive maintenance, ongoing support, and continuous updates. When you're ready to go further, our additional services – including expert content creation – help you expand and evolve your experience – so your technology stays current and your impact keeps growing.

What's Included in an Immersive Care Plan*

 **Create Without Limits:** Enjoy complete access to Immersive Studio (Desktop & Web) and the freedom to build, customize, and expand your immersive content without limits.

 **Expert Training:** Two 1-hour remote sessions annually to keep your staff up to speed on the latest Studio updates and capabilities.

 **On-demand Support:** Our global team is ready to assist you if technical problems arise.

 **Technical Health Checks:** Annual deep-dives including projection recalibration, edge blending, and touch-interaction refinement.

 **Always Current:** Quarterly software updates keep your software up to date with the latest and greatest Immersive Software technology.

** Immersive Care Plan is an additional product recommended with purchase of an Immersive Space or an Immersive Software Bundle.*

Additional Service Offerings

Prefer a hands-off approach? Let our experts care for you.

Basic Content Creation

A professionally designed immersive experience built for you using the extensive Immersive Studio content library. Includes 3–5 custom scenes tailored to your needs.
